

Faheem Ahmed

Frontend Developer & Founder — SkillVerse Technologies

📞 9448340879 | ✉ masfmohammed027@gmail.com

📍 Mysuru, Karnataka, India

PROFESSIONAL SUMMARY

Frontend Developer and Founder of SkillVerse Technologies with hands-on experience building 17 production-ready web applications using React 19, JavaScript (ES6+), HTML5, CSS3, and Progressive Web App architecture. Skilled in designing component-driven interfaces, integrating REST APIs, and implementing motion-rich UIs using GSAP. Experienced in backend development with Java and Spring Boot. Founder of an inclusive EdTech learning platform focused on accessible digital education. Certified in Cloud Computing, Kubernetes, Big Data Analytics, Cybersecurity, and Prompt Engineering.

CORE SKILLS

Frontend Engineering: React 19, React Router 6, Hooks, Context API, JavaScript (ES6+), HTML5, CSS3, PWA

Motion & Design: GSAP ScrollTrigger, SVG Animation, Responsive UI/UX, Accessibility-First Design

Backend Development: Java, Spring Boot, REST APIs, MySQL, MongoDB

Cloud & DevOps: Kubernetes, Linux Administration, DevOps & SRE Concepts

Tools & Deployment: Git, GitHub, Vercel, Netlify, Postman

INTERNSHIP EXPERIENCE

Program Monitoring & Evaluation Intern

2025 – 2026

Magic Bus India Foundation (MBIF) — Bengaluru

- Collected and verified attendance and trainee participation data across multiple training batches.
- Maintained trainee records using MS Excel and Google Sheets.
- Prepared weekly and monthly monitoring reports.
- Supported data-driven program improvement initiatives.

TECHNICAL PROJECTS

Holy Quran Mushaf App: PWA with offline Quran reading support and audio synchronization.

Stream Nest – Video Discovery Platform: React-based scalable video discovery application.

Admin Dashboard: Business analytics dashboard with charts and filtering.

Breezl Weather Web App: Weather app using REST APIs and GSAP animations.

EDUCATION

Diploma in Computer Science and Engineering

2023 – 2026

JSS Polytechnic for the Differently Abled, Mysuru

Pre-University Course (EBAC)

2022

SVG Vishwaprajna Composite PU College

SSLC

2019

Vishwamanava Vidyanikethana

CERTIFICATIONS

- Linux Foundation — Linux, Kubernetes, DevOps & SRE
- IBM SkillsBuild — JavaScript, React, Web Development
- Simplilearn — AI, Cybersecurity, Blockchain, Power BI
- FutureSkills Prime — Cloud Computing, Prompt Engineering

ADDITIONAL INFORMATION

- Languages: English, Hindi, Kannada, Urdu
- Disability Status: Locomotor Disability — Cerebral Palsy (75%)
- Target Roles: Frontend Developer, Full Stack Developer
